

National Security & Privacy Concerns

OASIS

Seth Fisher, CIO of Oasis (a Hong Kong hedge fund) owns only 16.5% of Fujitec for c. 2 years, in an interview to the Nikkei Newspaper on April 18, 2023, said ...

NIKKEI

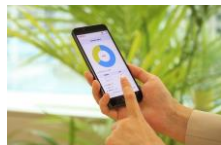

“The company should accept the situation and openly consider it”, in responding to a question about a proposed acquisition of Fujitec. (translation)

The sale of Fujitec to a foreign country may have:

- Negative implications on individual privacy leakage.
- Neglecting and low precedence in disaster response.

Elevator Specification

- Can be controlled by call center or cell phone remotely
- Video + audio recording of the elevator cabin
- Remote monitoring and remote surveillance

Fujitec maintains 70,000~ elevators and escalators in Japan
(New installation market share c. 20%)

More than 1,000 units in high-security requirement facilities in Japan:

Local Government Agencies, Ministry of Defense, State Courts, Airports, Train stations, Police stations, Fire Department, Newspapers, Schools, TV Stations, other ministries etc.
